

**Renewal/update of certificate. The course covers all certificates issued by Dafo Fire Suppression Systems Vehicles (except No 8).**

**Location: ..... Dafo Brand AB, Vindkraftsvägen 8, Tyresö, Sweden.**

**Duration: ..... 1/2 day, 8 AM - 12 AM (4 hrs).**

**Purpose: ..... The participants will have sufficient information about Dafos fire suppression systems for vehicles to get a renewal of their certificate for 5 more years.**

**The participants should bring along notes of issues and questions that has occurred over the 5 years.**

**The course is formed as a dialogue between the instructor and the participants, the reason is to bring forth questions and issues and also to exchange experiences, tips and techniques.**

---
